The school corporation shall contribute to a voluntary employees' beneficiary association ("VEBA") as described in section 501(c)(9) of the Code, fifty percent (50%) of the amount representing the present value of that calculated for all employees under subsection 3 above. A jointly approved vendor shall be the

organization administering the VEBA and shall be the single investment vendor for the VEBA. The terms and conditions for the administration and operations of the VEBA shall be as follows:

The amount calculated for each employee will be invested in a separate account. There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the vendor for the VEBA.

Until such time that an employee has retired and satisfied the eligibility requirements set forth in subsection Q-1 of this Article V, the employee shall have no access to the assets held in his or her separate VEBA account.

Following retirement and the satisfaction of the requirements set forth in subsection Q-1 of this Article, a retired employee may use the amounts held in his/her separate VEBA account to pay health insurance premiums, group term life insurance premiums, and to be reimbursed for unreimbursed medical expenses of the employee, spouse, and dependents. Furthermore, following the death of an employee who had otherwise satisfied the requirements of subsection Q-1 of this Article, any amounts remaining in the deceased employee's VEBA account may continue to be used to pay these premiums and expenses of the employee's spouse and dependents. - Employees who previously forfeited their VEBA plan accounts; and
- Employees who have attained age of fifty-seven (57) and terminated employment in or before the year of the reallocated forfeiture.

Furthermore, VEBA plan accounts of employees who have attained the age of fifty-seven (57), but have not terminated employment may share in the reallocated forfeiture, but on a reduced basis equal to their percentage of full Social Security benefits.

The school corporation shall not be paid any compensation for its services performed on behalf of the VEBA. All costs incurred in the administration of the VEBA and investment fees shall be paid from the VEBA assets.

Fifty percent (50%) of the total sum of the amount calculated by Educational Services Corporation as the present value for the retirement pay and severance benefits shall be contributed by the school corporation to the 401(a) plan as a non-matching contribution when funds become available.

The 401(a) Plan shall:

1. Be subject to all applicable Internal Revenue regulations, including non-discrimination tests.
2. Have no contract initiation fees charged to the employee.
3. Have no administrative or plan document charge to the Board.

2. Provide all third party administration for the 401(a) Plan at no cost to the employee and employer.
3. Provide a legal plan document and all necessary amendments to always cause the Plan to be in compliance with the IRS codes and regulations.
4. Provide for fixed and variable investment opportunities to the parties.
5. For the last three (3) years have at least two of the following: Best Rating; A+, Standard and Poor's: AA; Moody's: A2, and Duff & Phelps:AA.

The amount calculated for each employee will be invested in a separate account. There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the investment vendor for the 401(a) Plan.

Until such time that an employee has retired and satisfied the eligibility requirements set forth in subsection R-1 of this Article, the employee shall have no access to the assets held in his or her separate 401(a) plan account.

Following retirement and the satisfaction of the requirements set forth in subsection R-1 of this Article, a retired employee may elect to commence distributions from his 401(a) plan account. If an employee dies after having satisfied the requirements of subsection Q-1 of this Article, the deceased employee's 401(a) plan account shall be distributable to the decedent's designated beneficiary or to his/her estate if no beneficiary designation has been made. At no time may a participant borrow from his 401(a) plan account.

If an employee retires or otherwise terminates employment before satisfaction of the requirements set forth in subsection Q-1 of this Article, the terminated employee's 401(a) plan account shall be forfeited. The forfeited amounts shall be reallocated at the end of each plan year only among the then remaining separate 401(a) plan accounts in a manner similar to that used in initially determining the present value calculations. Therefore, the 401(a) plan accounts of the following employees will not share in the reallocation of a forfeiture of a 401(a) plan account:

Employees who forfeited their 401(a) plan accounts in the same year;
Employees who previously forfeited their 401(a) plan accounts; and
Employees who have attained age of fifty-seven (57) and terminated employment in or before the year of the reallocated forfeiture.

Furthermore, 401(a) plan accounts of employees who have attained the age of fifty-seven (57), but have not terminated employment may share in the reallocated forfeiture, but on a reduced basis equal to their percentage of full Social Security benefits.

The school corporation shall not be paid any compensation for its services performed on behalf of the 401(a) plan. All costs incurred in the administration of the 401(a) plan and investment fees shall be paid from the 401(a) plan assets.

3. Future Adjustments

The parties agree that Article V, or any other provision of this Agreement, does not constitute an expectation of receiving the enumerated retirement benefits by any current employee, future employee, prospective employee or applicant beyond the expiration of this Agreement. Unused sick leave may be accumulated to ninety (90) days. As indicated under the preceding paragraph, three (3) days of unused personal leave may be allowed to accumulate as sick leave. Teachers that have sick days accumulated, then leave the corporation and return to teach again in Centerville, will be entitled to all sick leave days accumulated on their prior years in the corporation. A teacher may not claim more than one first year credit of ten (10) days sick leave against this corporation.

A teacher will not be charged for sick leave on a day that school is canceled or closed.

Teachers who are on a supplemental contract for summer work and are absent due to illness be allowed one additional day of sick leave. For any days thereafter, teachers will have one-half day deducted from their leave for each day missed unless they teach more than three hours per day in which case one day will be deducted from their leave. The one additional day will not accumulate.

C. Jury Duty

The school district will pay a teacher required to serve on jury duty the difference between their regular per day compensation and the per diem received for jury duty. The following regulations will govern the administration of such leave:

1. An initial written request will be submitted to the superintendent through the building principal immediately following the receipt of a summons.
2. The teacher will advise the principal when he is dismissed from jury duty.

D. Bereavement Leave

1. In the case of death in the immediate family of the teacher, the teacher is entitled to be absent for five (5) school days, within fourteen (14) calendar days of the death in the immediate family, without loss of compensation. The immediate family is defined as: husband, wife, father, stepfather, mother, stepmother, brother, sister, child, father-in-law, mother-in-law, any person living as a member of the household of the teacher or for whomever a teacher is appointed to be attorney in fact through power of attorney.
2. In the case of death involving grandparents, grandchild, aunt, uncle, brother-in-law, sister-in-law, daughter-in-law, son-in-law, or close friend, the teacher is entitled to be absent for two (2) school days without loss of compensation.

school year following their leave.

F. Sick Leave Donation Days

When a teacher has an illness or accident that causes that teacher to miss more than his/her allotted sick leave days, the teacher may request sick leave donation days. The following procedures and guidelines shall be followed:

A teacher may not use sick leave to extend FLMA beyond 12 weeks or 60 days. Therefore, teachers may not request sick leave donations to extend the 12 week or 60 day period.

If a teacher does not receive an evaluation because of FMLA leave, they are not eligible for salary increase and for informational purposes only and not bargained, they are not eligible for the Teacher Appreciation Grant. In accordance with Indiana Code 20-28-11.5, a teacher rated ineffective or improvement necessary may not receive any raise the following year, except for those that are eligible per I.C. 20-9-1-1.5(f). For informational purposes only and not bargained, a teacher should request an evaluation before FMLA leave if they will not be returning to school as a result of a pregnancy leave. A teacher shall be granted an evaluation prior to the end of school after returning from birth leave if requested.

Adoptive and birth leave shall be granted for up to a period of one (1) school year without pay. In the case of adoption, the teacher shall notify the superintendent of his/her intent upon initial application for the adoption.
