

Student Achievement Data-PART B

Scoring for Centerville-Abington Elementary Teachers

Teachers, in collaboration with administrators, will determine appropriate and relevant data that will provide evidence of student achievement and growth.

Scoring Grade 3:

- ▶ 26% of total evaluation score (100 points) will be calculated by student proficiency using IREAD Pass Rate (80-100%=4 60-79% =3 40-59% =2 0-39%=1)
- ▶ 25% of total evaluation score (100 points) will be calculated by ISTEP Pass Rate (average if more than one subject)(or 80-80 Rule)
- ▶ 25% of total evaluation score (100 points) will be calculated by the number of students meeting the NWEA Target Rit or Goal Rit on reading, math, and language in the classroom(or 80-80 Rule)
- ▶ 24% of total evaluation score (100 points) will be calculated by the number of students obtaining 80% or higher on the vocabulary tests (on average of core subjects taught by teacher) in the classroom (or 80-80 Rule)

Scoring Grade 4:

- ▶ 26% of total evaluation score (100 points) will be calculated by student proficiency using ISTEP Growth Model
- ▶ 25% of total evaluation score (100 points) will be calculated by ISTEP Pass Rate (average if more than one subject) (or 80-80 Rule)
- ▶ 25% of total evaluation score (100 points) will be calculated by the number of students meeting the NWEA Target Rit or Goal Rit on reading, language, and/or math in the classroom(or 80-80 Rule)
- ▶ 24% of total evaluation score (100 points) will be calculated by the number of students obtaining 80% or higher on the vocabulary tests (on average of core subjects taught by teacher) in the classroom (or 80-80 Rule)

Scoring Grade 5:

- ▶ 26% of total evaluation score (100 points) will be calculated by student proficiency using ISTEP Growth Model (5th grade SS- 80-100%=4 60-79% =3 40-59% =2 0-39%=1)
- ▶ 25% of total evaluation score (100 points) will be calculated by ISTEP Pass Rate (average if more than one subject) (or 80-80 Rule)
- ▶ 25% of total evaluation score (100 points) will be calculated by the number of students meeting the NWEA Target Rit or Goal Rit on reading and/or *language, or math in the classroom(or 80-80 Rule)
- ▶ 24% of total evaluation score (100 points) will be calculated by the number of students obtaining 80% or higher on the vocabulary tests (on average of core subjects taught by teacher) in the classroom (or 80-80 Rule)

Scoring Grade 6:

- ▶ 26% of total evaluation score (100 points) will be calculated by student proficiency using ISTEP Growth Model (6th grade Science- 80-100%=4 60-79% =3 40-59% =2 0-39%=1)
- ▶ 25% of total evaluation score (100 points) will be calculated by ISTEP Pass Rate (average if more than one subject) (or 80-80 Rule)
- ▶ 25% of total evaluation score (100 points) will be calculated by the number of students meeting the NWEA Target Rit or Goal Rit on reading and/or *language, or math in the classroom(or 80-80 Rule)

- ▶ 24% of total evaluation score (100 points) will be calculated by the number of students obtaining 80% or higher on the vocabulary tests (on average of core subjects taught by teacher) in the classroom (or 80-80 Rule)

***For grades 5 and 6, the language arts teachers will take both reading and E/LA NWEA scores. The science and social studies teachers will only take the NWEA reading scores, and the math teachers will only take the math NWEA scores.**

<i>ASSESSMENT TYPE</i>	<i>PERCENT DESIGNATED</i>
ISTEP Data (Growth Model)	26%
ISTEP Passing Rate	25%
NWEA (Grade Level Rit/Goal Rit)	25%
Vocabulary Test (80%)(80-80 Rule)	24%
School Grade (Bonus Points)	5/A; 3/B; 1/C
ISTEP Bonus Points	5

*Add on up to 5 more points for School Grade

**Add on 5 more points if 90% or more students pass ISTEP in one or more areas

Scoring Related Arts, 6th Grade Social Studies, 5th Grade Science:

- ▶ 34% of total evaluation score (100 points) will be calculated by the number of students passing LIA (Locally Identified Assessment) with a score of 80% or higher(or 80-80 Rule)
- ▶ 33% of total evaluation score (100 points) will be calculated by the number of students in grade level that meet NWEA Target Rit or Goal Rit on reading (or 80-80 Rule)
- ▶ 33% of total evaluation score (100 points) will be calculated by the number of students obtaining 80% or higher on the vocabulary tests given to the particular grade level (80-80 Rule)

<i>ASSESSMENT TYPE</i>	<i>PERCENT DESIGNATED</i>
LIA	34%
NWEA Reading	33%
NCA Vocabulary Test	33%
School Grade (Bonus Points)	5/A; 3/B; 1/C

*Add on up to 5 more points for School Grade

Scoring Special Education Teachers (TOS)

- ▶ 34% of total evaluation score (100 points) will be calculated by ISTEP improvement in designated area(or 80-80 Rule)

- ▶ 33% of total evaluation score (100 points) will be calculated by NWEA improvement in designated area(or 80-80 Rule)
- ▶ 33% of total evaluation score (100 points) will be calculated by the number of students who achieve IEP goals(or 80-80 Rule)

<i>ASSESSMENT TYPE</i>	<i>PERCENT DESIGNATED</i>
ISTEP IMAST Data	34%
NWEA (improvement)	33%
IEP Goals (Progress Monitoring)	33%
School Grade (Bonus Points)	5/A; 3/B; 1/C

*Add on up to 5 more points for School Grade

SCORING BONUS FOR ALL:

- ▶ A school grade bonus will be added for each teacher according to the yearly grade designated to the school by the state, in the following manner: A=5 pts. B=3 pts. C=1 pt.

****DATA WILL BE PUT INTO AN EXCEL SPREADSHEET THAT WILL CALCULATE TOTALS AND POINTS**
