Additional Items:

- Renee Westover mentioned there were lots of complaints on social media about the fee for using E-Funds. Mr. Stevenson stated that E-Funds provided as a convenience for the parents who want to pay by credit card. The school use to absorb the fee but so many are using it the school cannot afford to pay it. The school gets no money from E-Funds. The amount the parents pay goes to the credit card company and to E-Funds. Mr. Stevenson said he would look and find out if another company may charge less.
