Saying Goodbye

Bob, who has performed the maintenance duties at the library, is retiring effective October 24th after 10 years of amazing service. He will certainly be missed and, on behalf of the Centerville-Center Township Public Library, we wish him well in all future endeavors! If you'd like to say your goodbyes to Bob as well, come by the library before 1:00 on November 11th. The library has found another community member to perform the maintenance duties in David Tremps. He has many years of experience in performing similar duties and he is currently helping the senior center with their maintenance as well. He is a welcome addition to the CCTPL family!
