

School Bus Information for 2019 – 2020 School Year

Bus eligibility – Not all students are eligible to ride a school bus. In general, students living within the town of Centerville (exception K-2 transfer buses) and K-2 students living in Rose Hamilton area are in the walk zones. See the Walk Zone maps and definition or call for clarification.

Bus stop expectations – Students are expected to be waiting at the designated bus stop prior to arrival of the bus. Bus drivers are **NOT** required to wait at a bus stop and/or honk the horn. If you choose to have your child wait inside during inclement weather, please watch for the approaching bus so that your child can be ready to board the bus upon arrival.
