CHILDREN AND HOOSIERS IMMUNIZATION REGISTRY PROGRAM

CENTERVILLE ABINGTON COMMUNITY SCHOOLS PARTICIPATES IN

C.H.I.R.P.

C.H.I.R.P. is the free and innovative online system that stores and updates immunization records of both children and adults in Indiana. It is confidential and free.

BENEFITS OF USING C.H.I.R.P.

- Providers can determine when a patient is due or overdue for immunizations.
- Providers can print official immunization record based upon up-to-date vaccinations.

I give the Centerville Abington Community School Corporation Nurse permission to register my child's immunization records onto the Indiana State Department of Health's Children and Hoosiers Immunization Registry Program (C.H.I.R.P.).

I understand that the information in the registry may be used to verify that my child has received proper immunizations and to inform me or my child of my child's immunization status or that immunization is due according to recommended immunization schedules.

I hereby consent to the release of such information.
