EAT BREAKFAST AT SCHOOL!

Mornings can be really crazy…the alarm doesn't go off…the kids don't want to get up…there's no time to eat breakfast before the bus comes…or they're just not ready to eat. Or maybe your teenager grabs a can of soda and a candy bar on the way to school. If this sounds like your house, we have good news for you.

Breakfast is served at school! School breakfast will energize your child's day and provide them with a healthy start. A nutritious breakfast helps students be more alert so they can learn more in class, and has plenty of vitamins and nutrients for a strong and healthy body. We offer many varieties of hot items, fresh fruits and fruit juices, and 3 flavors of low-fat/fat-free milk to choose from daily.

Breakfast at school is affordable, too. If you qualify for Free and Reduced-price meals, you also qualify for the breakfast program, with no additional paperwork. You can't find a healthy breakfast at such a low cost anywhere else. Our breakfast for approved reduced rate meals is $0.30 and our full pay rate is $1.55 at all school buildings. Where else can you get a healthy jump start for a full day of learning at our convenient low price?!

So, help your child start the day right with school breakfast!

With questions concerning our breakfast (or lunch) program, please contact your child's school building kitchen or Tami Scalzo, Food Service Director for Centerville Abington Community Schools at tscalzo@centerville.k12.in.us. To apply for Free or Reduced meals, please visit our school webpage at https://centerville.k12.in.us/cafeteria-menus/. Download the application and turn in to the Administration Building or your student's teacher.
